

Health Indicator

This Indicator applies an image to all tokens in the combat tracker that indicates its current level of health. The images will follow the option **View: Wound Categories setting** values "Simple" and "Detailed".

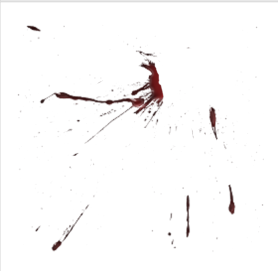

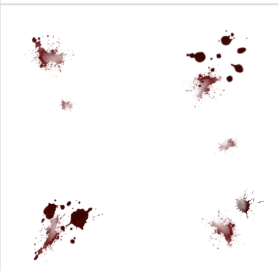

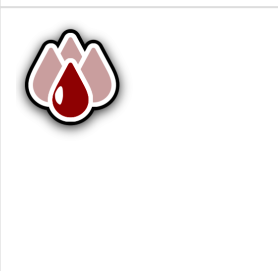

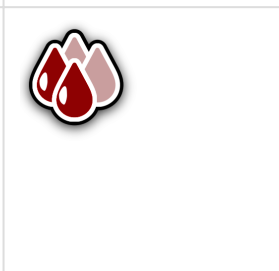

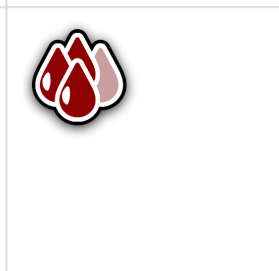

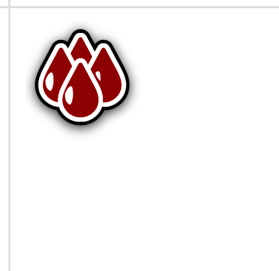

Simple: There are two levels of health indicator

- Wounded (Wounds < 50% HP)
- Heavy (Wounds >= 50% HP but not dead)

Detailed: There are four levels of health indicator

- Light (Wounds <25% HP)
- Moderate (Wounds >=25% HP)
- Heavy (Wounds >=50% HP)
- Critical (Wounds >= 75% HP but not dead)
